MONEY & STRATEGY

MAKE YOUR NETWORKING COUNT

Make time for Chamber connections next week, then turn those conversations into practical next steps for your business.

PLAN YOUR CONNECTIONS

Choose an upcoming Chamber event that fits your goals. Prepare a brief introduction and one question that helps you learn about another member's business.

LOOK FOR WAYS TO HELP

Listen for a need you can address, a resource you can share, or an introduction you can make. Useful connections give people a reason to stay in touch.

FOLLOW THROUGH

After each event, send a personal follow-up and agree on a next step when appropriate. Record the details so promising conversations keep moving forward.

KEEP THE CONVERSATION MOVING FORWARD.
