MONEY & STRATEGY

TURN ACTIVITY INTO OPPORTUNITY

A full calendar can create visibility, but business growth comes from what you do with the connections you make. The strongest return often begins after the event is over.

BEFORE YOU GO

Choose one or two people you want to meet, reconnect with or learn from. A little intention makes networking more productive.

WHILE YOU'RE THERE

Focus on quality conversations instead of collecting contacts. Ask good questions, listen closely and look for ways you can be helpful.

FOLLOW UP WITHIN 48 HOURS

Send the email, make the introduction or schedule the coffee while the conversation is still fresh.

THIS WEEK'S BUSINESS CHALLENGE

Turn one Chamber conversation into one clear next step.

CONNECTIONS CREATE VALUE WHEN YOU FOLLOW THROUGH.
