MONEY & STRATEGY

START Q4 WITH A CLEAR BUSINESS PLAN

October is a good time to turn your year-end goals into a weekly plan. Set aside 30 minutes to identify your priorities, review upcoming expenses, and decide which relationships need your attention.

CHOOSE THREE PRIORITIES

Pick three results you want to achieve before year-end. Give each one a next step, an owner, and a deadline.

REVIEW WHAT IS COMING DUE

Look ahead at invoices, renewals, and planned purchases so your team can address upcoming commitments early.

PLAN YOUR FOLLOW-UP

Before your next Chamber event or the Business Expo, identify the people you want to meet. Reserve time afterward to follow up and turn introductions into useful conversations.

MAKE STEADY PROGRESS EACH WEEK THROUGH YEAR-END.
